MARVEL CRISIS PROTOCOL

Spider-Man League

Format:	Standard Timeline (Challenger) League
Start Date:	Monday 5th October
Sign-up Deadline:	9pm on Monday 28th September
Duration:	About 4 months
Location:	**Black Dragon Games** 17 Burton Street, Melton Mowbray, LE13 1AE

Spider-Man League

Build a roster of your favourite heroes (or villains?) and compete for Spider-Man themed prizes!

Players will be divided into pods and play a round-robin to determine which division they will progress to in round 2. Players will then play another round-robin within their division to compete for prizes at the end of the league.

Players can change their roster at the start of Round 2. For example, players in the upper division might choose to build a more competitive roster, while those in the lower division might choose to build a more fun list containing their favourite characters.

Standard Timeline (Challenger)

All Characters are legal in a Standard Timeline roster, but some Team Tactic Cards and Crisis Cards are restricted or banned.

Where can I play?

Monday Night Marvel at Black Dragon Games on Monday evenings is an ideal time to play, but games can be played anywhere at any time.

The League Social/Final will take place at Black Dragon Games.

Taking Part

How to join in

1. **Sign up for the league:** www.blackdragongames.co.uk/Spider-Man
   Sign-up Deadline: 9pm on Monday 28th September.

2. **Build a roster and email it to:** spider-man@blackdragongames.co.uk
   Rosters must be submitted by 9pm on Monday 28th September.

3. **Round 1**
   Players will be sorted into pods. You will play 1 game against each player in your pod over the course of 6 to 8 weeks.

4. **Round 2**
   Players will be divided into an upper and lower division based on their win records. You will play 1 game against each player in your division over the course of 6 to 8 weeks.
   Additional divisions may be added if we have a particularly large group of players.

5. **Finals**
   The top 2 players in each division will play off at our finals event to determine the ultimate winner of each division. All players are encouraged to attend this as a league social event, where we'll award additional prizes for Best Roster Theme, Best Painted and Most Sporting.

Incomplete Games

Location:

This league is centred around Black Dragon Games and it is assumed that the majority of games will take place here. Players are welcome to organise their games elsewhere, but should be willing to travel to Black Dragon Games for all of their games if their opponent wishes to play here. In a situation where two players are unable to arrange a game and one player is unwilling to travel to Black Dragon Games, that player will forfeit the game and their opponent will score 2 league points.

Timing:

Players should expect to play a game approximately every two weeks. If two players are unable to find a time to arrange a game within the window for a round then the game will be forfeit and they will both receive 1 league point for that game.

Your Roster

Roster Building

This is a **Standard Timeline (Challenger)** event series.
We recommend using the Jarvis app for roster building.

You must build a roster of 10 Characters, 10 Team Tactic Cards and 10 Crisis Cards, according to the ***MCP Core Rules***.
Note that there is no requirement for you roster to include any Spider-Man characters - the name of the league only refers to the prizes available.

Full details for Standard Timeline Challenger events:

- All Characters are allowed
- See the *Challenger Event Document** for a list of legal Team Tactic Cards and Crisis Cards
- See the *Banned and Restricted List** for a list of Restricted Team Tactic Cards and Crisis Cards

Painting and Modelling

Painting Requirement:

- Models do not have to be fully painted for this event.
- All unpainted models must be primed in the same colour.

Proxies: Proxy models are not permitted - all models must be Atomic Mass Games miniatures.

Conversions and Kit-bashing:

We love conversions and kit-bashing!
All models must still be easily recognisable as the character that they represent, and bases must be the same size as the base specified in the *Base Size Document***.

Roster Changes, Points Changes & Rule Changes

- All rosters will be published simultaneously at the start of each round. Rosters cannot be changed during a round.
- Players may change their roster at the start of Round 2, but must use the same roster in the final as they used in Round 2.
- We do not anticipate any changes to the rules during the course of the league. However, if there are any rule changes then they will be adopted as soon as they are published.
