

MIDDLE-EARTH™

STRATEGY BATTLE GAME

Middle-Earth Slowgrow League

Key Dates:

Sign-up deadline: 30th September 2023

Start date: 1st October 2023

What will I need to take part?

- An army! (*see below for details*)
- Good sportsmanship! This league is not competitive by nature, the aim is to get more people playing MESBG locally.

You will also need access to the following books:

- The current Rule Book
- The appropriate army and/or campaign book(s) for your chosen force
- The MESBG Matched Play book

Black Dragon Games have copies of the Rule Book, the 2 army books and the Matched Play book for you borrow while playing in store (they are also available to purchase at Black Dragon Games if you want your own).

Build me an army worthy of Mordor!

Players will start with a small army, which will grow as the league progresses:

Your starting army must meet these rules:
400 points 'Good' or 'Evil' army
No model may cost more than 200 points
40 models maximum
3 models minimum

Each month afterwards, the limits will grow:
+100 points army
+100 points single model cost
+10 models maximum
+1 models minimum

You can drop models from your list if you need to make room for something that costs more than 100 points

What models can I use in the league?

- All models must be fully built, and on the appropriate size and shape bases.
 - There is no requirement for models to be fully painted, but this is highly encouraged!
 - Official GW models are available for most units, but some are out of production or don't yet have models. You may therefore include conversions, 3D prints and Third Party minis in your army, provided that they can be clearly identified by both your opponent and the league organiser.
-

Scenarios

Each month you must play through the scenario listed below against another player in the league. The scenarios will be:

Month 1	Scenario 2: To The Death
Month 2	Scenario 12: Storm The Camp
Month 3	Scenario 6: A Clash By Moonlight
Month 4	Scenario 10: Heirloom of Ages Past
Month 5	Scenario 11: Fog of War
Month 6	Scenario 4: Lords of Battle

Details of these can be found in the MESBG Matched Play Guide book.

Of course, you can play more games and scenarios each month if you want to!

Where can I play?

- MaD Tabletop Gaming in Whissendeine (Thursday evenings)
- Black Dragon Games (all week, except Wednesdays)
- Anywhere else!

Gaming mats and scenery sets are available for players to use at Black Dragon Games and MaD Tabletop Gaming.

This all sounds great! How do I sign up?

Submit the following information by sending a message via the Facebook page by 30th September:

- your name
- faction(s)
- starting army list (400 points)

At the end of each following month, you must submit your game results, as well as an updated copy of your army list for the next round.
